

# Payment

Please pay the accommodation tax to the accommodation provider with the method used to pay for your accommodation.

(The accommodation tax collected will be declared and remitted by the accommodation provider to Chatan Town)

Example: In the case of a simple room stay (one person for one night) at **¥8,500**

$$\begin{aligned} & \text{¥8,000} \times \text{2\%} \\ & \text{(the amount is rounded down to the nearest ¥1,000)} \\ & = \text{¥160 accommodation tax} \end{aligned}$$

A combined accommodation tax rate of 2% from Chatan Town and Okinawa Prefecture will be imposed. The breakdown is as follows: town tax 1.2% (maximum tax amount: 1,200 yen) and prefectural tax 0.8% (maximum tax amount: 800 yen).

Get familiar with accommodation taxes, and welcome to Chatan!

Tax rate

**2%**

Maximum amount: ¥2,000

# Usage of accommodation taxes

The accommodation tax is used to enhance Chatan tourism and create a destination you'll enjoy more each time you visit.

## Development of marketing infrastructure

- GPS data collection via apps, etc.
- Building a tourism statistics platform utilizing CRM cards (points/coupons), etc.

## Improvement of the visitor environment

- Enhancement of secondary and tertiary transportation
- Improvement of road landscapes
- Maintenance of order at tourist destinations and measures against garbage problems, etc.

## Creation of area attractiveness

- Hosting events during the off-season
- Developing destination-based tourism products
- City dressing, etc.

## Conservation of tourism resources

- Marine conservation such as coral reefs
- Promotion of sustainable tourism through activities such as cleanup efforts
- Promotion of cultural tourism utilizing traditional culture and related assets, etc.

## Managing tourism-related crises

- Tourism crisis management measures
- Consumption-stimulus measures that serve as a foothold for recovery, etc.
